The following are suggested commitments to be made by all those who wish to co-create the Motherworld:

I commit myself to loving and supporting the vision, the people and the values of the Motherworld as described:

My intention is to help bring the Motherworld into being in my thoughts, words and actions in the world. I support the Motherworld Vision. I commit to taking responsibility for my own emotional and mental wounding and for its healing.

We hope soon to show a list of people (first names and country only and the text of your commitment) but of course won't include you without your permission. Please ensure you tick the box on the form if you are happy to have your first name, country and commitment included.*

We respect your privacy – apart from any agreed disclosure as in our note above, your name and contact information will be kept within the Glastonbury Goddess Temple and Goddess Conference and will not be shared with anyone.
